GBCYFL Concussion protocol policy 3/1/2026 – 2/29/2028

Any athlete suspected of sustaining a concussion or head injury during a game, practice, scrimmage, or conditioning activity shall be immediately removed from participation.

B. An athlete removed from suspected concussion shall not return to play or practice on the same day, regardless of symptom resolution.

C. Return to participation shall require written medical clearance from a licensed healthcare provider trained in concussion management.

D. League Officials, the Director of Football Operations, and game officials have the authority to remove an athlete from participation for suspected concussion. Such decisions shall not be overridden by coaches or team personnel.

E. Failure to comply with concussion protocol shall result in disciplinary action as determined by the Board of Directors.
